Description: The Access to Justice Clinics project is implemented with funding support from UNDP since December 2016. In coordination with the Government of Timor Leste's Ministry of Justice and Office of the Public Defender, Belun supports two Alternative Dispute Resolution clinics to facilitate mediation of land and civil disputes. These clinics are located in Baucau and Covalima municipalities. If after 3 mediation sessions a dispute cannot be resolved, it is referred for review by the Office of the Public Defender.

Description: During Project Year 3, mediation activities and clinic services were temporarily interrupted in October and November 2018 due to lack of funding. In Year 3 Q1, data reflects December 2018 and January 2019, when support from the Government of Timor Leste allowed mediation services to continue. In February, Access to Justice Clinics was again fully funded in Baucau and Covalima with support from UNDP.
